Dear Mr/s. Maniktala:

We have completed our review of your application to be certified as a Minority Business Enterprise (MBE) firm by Howard County.

Based on information contained in your application, your firm appears to meet the requirements for certification as requested. Your certification may be subject to further review should any questions arise about your status based on the definition of MBE used by Howard County.

The MBE number assigned to your firm is M08-41.

Any material change in ownership and control of your organization, which may affect its certification status, must be reported immediately to this office, to the attention of the MBE Officer.

If you have not already done so, it is recommended that you submit a vendor's application to the County Office of Purchasing so that your firm and the services/products you provide will be included on our vendor's file. You can contact the Office of Purchasing by calling (410)313-6370.

If you have any questions regarding any of the above, please do not hesitate to contact this office.
