Subject: Approval of SPSF Self-Certification

Dear Mr. Maniktala:

This is to acknowledge receipt of your application for Small Professional Services Firm (SPSF) certification through the North Carolina Department of Transportation. Your application has been approved for a period of one year effective March 15, 2010.

You are reminded that your certification will automatically expire in one year unless you submit a new application prior to the expiration date. We will send the forms to you within thirty days of the expiration date to facilitate your timely submission thereof.

Consistent with SPSF program guidelines, you must notify the Department when your firm no longer meets the criteria for continued participation in the program; i.e., annual gross receipts exceed the NAICS Code size limit for your firm or the firm no longer exists, etc. Should your firm experience any changes in ownership, address, telephone numbers, or specialty, you are required to notify this office within two weeks of that change. Failure to inform us of these changes can result in decertification.

Thank you for your participation in the Small Professional Services Firm. If you have any questions, please do not hesitate to contact this office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael McKoy".

Michael McKoy  
State Contractor Utilization Engineer
